

EASTERN NEW MEXICO UNIVERSITY ROSWELL

2002-2003 CATALOG

A COURSE EQUIVALENCY TABLE WITH

EASTERN NEW MEXICO UNIVERSITY PORTALES

2001-2003 CATALOG

This course equivalency guide is provided to assist students who change to the Portales campus to obtain their Bachelor's degree. You will note that the courses are categorized as academic or vocational and are alpha within each category. Students changing to Eastern New Mexico University-Portales must complete a change of campus form to notify the Office of Admissions of the change in registration. ENMU-R and ENMU-P will transfer the course work after the change of campus form has been received. (Please notify Admissions if you have made changes to your address and/or phone number or if you have attended another university for which transcripts will be required.) The course work will be evaluated and a copy of the evaluation will be sent to the student.

The following pages indicate the equivalent course numbers between the two campuses and those that will be accepted as "Elective." "Elective" courses do not correspond to specific ENMU-Portales courses. They will be counted as lower division electives on a degree plan unless determined to meet other requirements by a program. Two types of elective courses can be identified. When the Roswell campus offers courses that share a common academic discipline with the Portales campus, the elective will be identified by the Portales discipline prefix followed by "LD," e.g., ACCT LD. Electives for which the Portales campus does not offer a comparable discipline are identified as "Elective LD."

There are notations by some areas and courses in this document. The explanation of these notations is indicated below.

¹Course meets class requirement, but not upper division requirements.

²Students may transfer a minimum of 21 and a maximum of 30 semester hours in a singular technical emphasis area to the Bachelor of Applied Science degree in Electronics Engineering Technology.

³For students transferring with an associate's degree with a vocational focus and pursuing a Bachelor of Applied Arts and Sciences (BAAS) or a Bachelor of Occupational Education (BOE), these vocational courses will be used to satisfy the requirements for the degree. Should the student change to an academic major, the vocational courses would no longer apply to that degree.

DEV-Courses are developmental in nature and do not apply to a degree.

LD-The course counts as a lower division course.

NC-No credit is given for the course.

If you have questions about admission or change of campus, please write or call our toll-free number (1-800-367-3668).

Vocational³

For students transferring with an associate's degree and pursuing a Bachelor of Applied Arts and Sciences (BAAS) or a Bachelor of Occupational Education (BOE), these vocational courses below will be used to satisfy the requirements for the degree. Should the student change to an academic major, the vocational courses would no longer apply to that degree. Application of courses to the Bachelor of Applied Science (BAS) are noted below.

AB Auto Body and Paint^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

AFR Airframe - Part of Aviation Maintenance Technology (See also PPL Powerplant)^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

AT Automotive Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

DAST Dental Assisting³

DFT Drafting and Design Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science. See Academic listing for specific courses that have academic equivalencies.

EMS Emergency Medical Services³

EPT Electronic Publishing Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

ET Electronics/Computer Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

FPT Fire Protection Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

MDST Medical Assisting³

MTR Medical Transcription³

NA Nursing Assisting³

OT Occupational Therapy Assistant³

PHAR Pharmacy³

PBE Phlebotomy³

PLS Legal Assistant Studies^{2,3}

PPL Powerplant^{2,3}

PPT Professional Pilot Training³

RCP Respiratory Therapy³

SET Safety Engineering Technology^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.

WELD Welding^{2,3}

A maximum of 30 hours may also be transferred in on a Bachelor of Applied Science.
